President's Message

First of all, I want to thank everyone who attended the annual club picnic, September 14, 2019. The weather was perfect, the food was delicious and plentiful, and the washer tournament was “competitive”. The washer tournament was organized by Mike and Kathy Topolski (thank you very much), and they also won the tournament with Dana and Diana Griggs finishing second. The first place prize was two \$25.00 gift certificates to Steak & Shake, and the second place prize was two \$5.00 gift certificated to White Castle. Congratulations to all. I think a good time was had by all.

As of the time that I am creating this message, the Board has not as of yet discussed and/or decided the issue of Grand Slam. However, by the time of the October club meeting, that decision will have been made. We have received a lot of feedback from club members and every opinion is being considered. We certainly appreciate all of your thoughts. Remember, the October meeting will still be held at the Arnold Recreation Center.

Please keep in mind that we need some new officers for the club year beginning December 1. If you are asked to serve, or if you would like to volunteer to serve, please step forward to help the club. Again, the offices that NEED to be replaced are Treasurer, Secretary, Membership, and Sargent at arms. The offices that MAY be replaced are President and Vice-President.

Don Pickles, President

- The floor plan has changed which does not include a private dining area to accommodate our meetings.

- Two options were presented to the club: We can change our meetings to a Monday because they are closed to the public, therefore the restaurant/bar would only be open for our meeting. They could offer an expanded menu since we would be the only customers. The second option is they have purchased a space which was a Mattress Concept at Boulevard Plaza. This is going to be their event center and they could offer us a private room on any night we chose with a limited menu.
- The board will have a special meeting to discuss the options and take a survey of the membership for their thoughts.

Steve Kirby gave the website report. The new website should be ready to go by the end of Sept. You will be able to read this on your various devices. Pictures may be uploaded to the server and the instructions on how to do this are posted on the Facebook page.

ELCO Report: Mark Gerecke gave the report: The dealership is getting 64 C-8's in increments, the first three months of production release they will receive 16, then the remainder after that. They also are not participating in the Chevrolet reserve program because of wanting to have them available for their customers or local people, rather than out of state individuals. The chili cook-off and car show had to be rescheduled because GM doesn't want this the same day the C-8 is at ELCO on display. It will be there Oct.12th, so instead of the chili cook-off and car show at noon, we will be having a bonfire and hayride in the evening that day.

Officer Nominating Process

Presented by The Nominating Committee, Ruth Howard and Judy
Dooley

Situation as of September 18, 2019

We are currently looking to fill the positions of Sergeant-At-Arms, Secretary, Treasurer, and Membership. Even though our current President Don Pickles and Vice President Rick Doerr can stay in office another year, those positions too can have nominations.

At this moment we have one member that has accepted the nomination of Treasurer, and one member that is considering running for Sergeant-At-Arms. So, Judy and I are reaching out to members to consider running for the office of Secretary and Membership. Obviously, nominations will be accepted for ALL offices. This is a great way for new members to become involved in the club. We have seen many members sit on this board in numerous offices. Now is the time for those that have been able to sit back in the crowd for many years and enjoy meetings to step up.

Remember.....this is YOUR club! We ask that you consider joining the board! Oh, and if you're worried about this job putting you in a higher tax bracket, you're safe! Your dedication to the club is paid in applause at the meeting! LOL!!

NCM Ambassadors Report

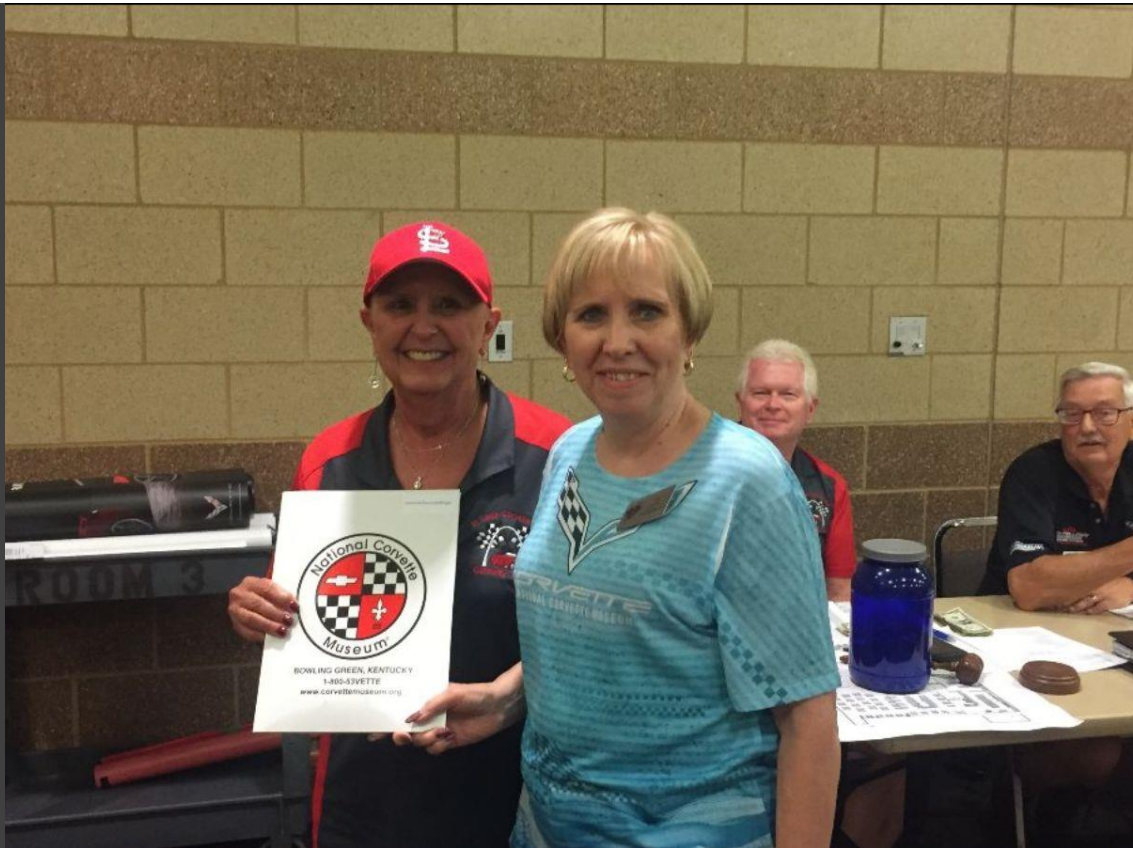

The 25th Anniversary event at the National Corvette Museum was a huge success. There was about 12,000 visitors to the Museum over Labor Day weekend and we heard that all who attended really enjoyed it. One of the highlights was at the Hall of Fame dinner when Lon Helton (Chairman of the Board) announced that Wendell Strode, the Executive Director of the NCM, was going to be inducted into the 2020 Corvette Hall of Fame. Wendell was the Executive Director for 23 years and did a great job of keeping the National Corvette Museum going and going great. He helped to raise lots of money for the museum and helped acquire the land for the Motorsports Park. He doubled the size of the museum and got us through the sinkhole episode. This honor is well deserved for Wendell who has retired and Dr. Sean Peterson has been named to take over for Wendell. Congratulations to Wendell!!

It was also announced that clubs with 100% National Corvette Museum membership will have renewals of only \$37.50 per year for regular memberships.

Don't forget about the car raffles. You can download an order form from the NCM website.

The St. Louis Corvette Club Historical Society Column

By Ron Hagenow

History Committee: Ron Hagenow, Marty Dooley and Mike Kirby

What Happened This Month of October in Previous Years

In October 2006, Rick Frierdich was our club president. Don and Anne Pickles were guests as well as Michelle Paillou. We had 59 members and were making plans to participate in the St. Louis Veterans Day Parade in November. Route 66 Chevrolet in Pacific was our sponsor and the business had been sold so we would be looking for another sponsor soon.

In October 2011 Marty Dooley was our president and we had 92 members. Club members Kevin and Jamie Smull welcomed future Corvette owner Bruce to their family. Tom and Sherri Marlo were new to the club as well as Joe and Jackie Walker. We were preparing for a car show and chili cook-off to be held on October 15. Some members completed a covered bridge tour in Indiana the previous month. We were also planning on attending Corvettes and Warbirds in St. Charles. Club member Steve Lyle brought his plane and gave rides to several members.

In October 2015 Mike Price was our club president and we still had 92 members. Plans were underway for the annual Josephine's Tea Room run for the ladies as well as the club hayride. New guests were Mike and Pat Moore. Marty and Judy Dooley received their 20-year Ambassador pins at the Labor Day event

at the NCM. There was also a report on a great run to the White Mule Winery the previous month.
